About the Speaker

▲ Dr. Luis Carriere and Dr. Steve Law

Dr. Law graduated from the Faculty of Dentistry University of Hong Kong in 1988. He is a private dental practitioner in Hong Kong since 1988. Dr. Law gave lectures at Hong Kong, Macau, China, Taiwan and Philippines in the past 15 years.

Synopsis

- You will learn about the **Sagittal First**: the new concept in orthodontic treatment to become Class I platform that achieves complete facial, skeletal, and dental harmony
- You will learn a new paradigm in Class II treatment **which MAY reduce extraction and surgical cases**
- You will see treatment time reduced that will offer long term and stable results without compromising quality
- You will learn how to go from a predictable start to an extraordinary finish
- You will see the clinical evidence of the extraordinary results achieved by using
 - A) A combination of the Carriere SLX Bracket System and Carriere Motion 3D Appliances
 - B) A combination of the Aligners and Carriere Motion 3D Appliances
- You will learn the content that can be immediately incorporated into your practice, along with integration techniques for a smooth transition
- You will discover tools to differentiate your orthodontic practice in today's competitive market
